EXPERIENCE

Thinkful, Denver – *Programming Event TA* 2018–Present

Host events and meetups for developers and those with interest in code. Events range from HTML, CSS, Javascript, Python, CompSci and Data Science Fundamentals

Midtown Occupational Health, Denver – *IT Specialist* 1 Year

Managed a wide variety of systems, including a phone line for medical providers and medical assistants to communicate, a SQL database with important patient information, staff computers, and a company server.

Contractor, Los Angeles – *Live Sound Consultant* 1 Year

Installed and maintained several sound systems for live music shows in a number of venues. Configured equipment based on factors such as venue size and expected attendance.

EDUCATION

Thinkful – *Full-Stack Web Development in Javascript* 09/2018–12/2018

- Learned industry best practices and software development standards with HTML5, CSS3, JavaScript, jQuery, Node.js, React, Redux, and algorithms & data structures.
- Created and deployed mobile-first applications while collaborating with a senior web developer several hours every week.

Thornton High School – *High School GPA 3.8/4.0, Denver, CO* 2011–2014
